There are lots of reasons why companies can [benefit](#) from the acquisition of a quality domain name, e.g.:

**Branding & Marketing** – You can do both, use the domain to support an existing brand or you can build a new brand under the domain name.

**Low cost** – Once acquired, a .com domain costs less than \$10 in yearly renewal fees.

**Investment** – Domains are a lucrative investment vehicle. In fact, domains go up in value faster than any other commodity on earth.
